As we crossed the threshold of the new millennium, much shaking has taken place in the church and the world. We have experienced a time of cleansing, a 'spiritual church quake, "transpiring in the life of the "Third Day Church" (Ho sea 6:1-3).

WHAT IS IT that we will continue to experience in the church? Shakings. Realignments. Shifts. And a thunderous Voice from heaven resounding in the earth realm.

One morning while preparing to speak at the World Congress on Revival in Guatemala, the piercing voice of the Holy Spirit came to me declaring, "I am going to change the equilibrium of the church!"

I am convinced that in the Western church world, what we call balanced Christianity is a lukewarm counterfeit actually called religious churchianity. But a quiet revolution is beginning that will result in authentic, apostolic, abandoned, Acts-like Christianity being birthed once again.

**Signs of the Great Prophetic Shift**

With this in mind, let me present some bullets on the great prophetic shift. Remember, a revolution consists of a sudden shift or change in society and history. Let it come!

1. **An Apostolic Relational Mandate will be released emphasizing "networking" versus vertical authority structures.** This fresh emphasis on cross-pollination will replace much of the inbred church associations, which are strife ridden by the spirit of competition and control. When the Apostolic is Made Personal (AMP), there will be Mighty Authority in the Prophetic (MAP) in that day. The Lord will amplify His voice in those relational renewal centers and the Holy Spirit will put them on His map.

2. **Open Confrontation with the "Political Spirit" in the church is coming as a post sectarian era begins to be ushered into our midst.** Even as the "prophetic movement" exposed and confronted the "religious spirit" in the church, so an "apostolic movement of grace" will expose and lay an axe at the historical root of the "political spirit" in the church.

3. **A new "Signs and Wonders Movement" is emerging.** Healing Rooms and Centers will be instituted in many cities devoted to praying for the sick and casting of evil spirits (Luke 10 Parades of people healed of various diseases will once again occur as in the days of life of John G. Lake in the 1920's.

4. **A great "Move of God Among Women" will unfold.** Many dedicated women will be released into the five-fold ministry and they will be used in the worldwide revival, which is coming, and upon us. Ultimately, the issue will not primarily be "doctrinal" - it will be one of necessity due to the volume of need for laborers for the Harvest. The coming period could easily be termed the "Decade of Women of Preachers."
5. A Wave of "Identificational Repentance" will overwhelm a remnant portion of the gentile church causing her to repent of her historical wrongs against the Jewish people. An Annual World Day of Prayer for the Peace of Jerusalem shall be birthed. Many among the global prayer movement will arise under an Esther anointing and seize a historic moment, and labor for the salvation of the Jewish people.

6. The Islamic Veil shall be pierced. The descendants of Ishmael shall be given a window of opportunity as miracles and acts of compassion by apostolic believers occur. Thousands of Moslems shall repent and be radically be converted to Jesus the Messiah.

7. The Restoration of David's Tabernacle as prophesied in Amos 9:11 and Acts 5:16-18 shall come forth resulting in authentic 24 hour Houses of Prayer and Praise, Worship and Intercession sprinkled across the nations. New creative songs and sounds shall emerge as it was with the radical ministry of William and Catherine Booth's Salvation Army Bands. Praise once again, will not be confined to the "four walls of the church" but will spill out into the open-air.

8. An Emphasis on "The Soaking Presence" will emerge as believers in Christ find the Secret Place of the Most High to truly be their dwelling place (Ps. 91). A fresh revelation of intimacy with God, communion with their lover/husbandman and master will come forth. A generation of Mary of Bethany's will arise and gladly "waste their life" on the Lord!

9. A Fresh Holiness Movement will spring up in the church worldwide. It's emphasis shall be one of the Father's mercy mixed with an authentic spirit of conviction of sin (John 16:5-15) causing many to repent and their stained garments to be experientially cleansed by the power and blood of the Lord Jesus Christ.

10. The Joseph's Company will be released. We will see tremendous transfers of wealth into the Kingdom of God through the ministry of "apostles and prophets" in the business arena. Those with anointing for the market place, administration and creativity shall be blessed, not resisted by the church. The wall between clergy and laity, secular market place and spiritual ministry shall come down.

11. God's Heart for the orphan, widow, disabled and the oppressed will be demonstrated as stated in Isaiah 58:7-12. Finances will be released to care for the widow and the orphan as declared in James 1:27. Chains of orphanages will come forth as the church awakens from her self centered life styles, and hilarious, joyful giving is restored.

12. An extravagant "Youth Movement" is coming to the global body of Christ that will "rock the nations." Public events will be led by youth to pray and fast for revival which will spread rapidly around the nations. This will be the joining of the generations where the hearts of the fathers are turned to the children and the hearts of the children to the Father (Mal. 4:5-6).

13. A "Convergence of Anointings" of the past moves of God shall come together. The anointing of the Pentecostal Fire, the Healing and Deliverance Crusades, the Latter Rain Presence, the Evangelical Burden for the Lost, the Charismatic Giftings, the zeal of the Jesus People Movement,
the Third Wave Credibility, the Revelation of the Prophetic Movement and the relational networking of the Apostolic Reformation shall all merge together into a tidal wave of enormous proportions. This will eclipse the impact of "reformation of 500 years ago" and create what could be called, "The Great Revolution of the Church."

14. The "Manifested Presence of Jesus" will increase in our gatherings and lives. A struggle will begin to occur between the choice of being a "project possessed" or "presence-motivated" congregation in the church world. But as we get our priorities aligned properly, the Lord will release fresh oil on creative ideas, purposes and destinies. If history books are written of the years that lie ahead, they might be termed The Days of His Glorious Presence.

Let the Great Prophetic Shift occur!

Let authentic, abandoned, apostolic Christianity emerge once again!
