I work up this morning and turned on the news and was given the chance to relive the events of 9/11 as terrorists flew plains into the towers at NY, and into the Pentagon at Washington DC. It’s hard to believe that this happened nearly 7 years ago, yet we are still living the affects of that day.

I hope that you too will share in remembering this day because it is a very important day In American History and most of us were there to watch in unfold on Television. I was sitting in a philosophy classroom at Walsh University when the professor came in and said that America was bombed. I didn't even believe him at first because the very idea of that happening had never before even entered my mind. We then turned on the TV and watched the rest of the events happen live before our very eyes.

Truth is our lives changed forever on that day. It's a sad fact that most of us are completely ignorant in regards to the rest of the world and what is going on outside of our paradise called America. We found out 7 years ago that we have a very real enemy who will stop at nothing to see us broken, defeated, and dead.

Those responsible for 9/11 were Islamic radical terrorists. The same terrorists that have been terrorizing and attacking Israel for centuries now have also turned their attention to America. Many ask why?

The answer is found in their faith. Their faith comes from the writings of the Koran, which is the Islamic bible written by a false prophet, Muhammad, in the late 7th century. The writings of the Koran , completely contrary to the Jewish Torah and the Christian Holy Bible, claim that the one true God of the universe is Allah, and his prophet is Muhammad.

The Koran reads in Surah 9:5 (Chapter and verse) “Fight and slay the Pagans wherever ye find them: Seize them, beleaguer them, and lie in wait for them in every strategy of war.” Surah 9:5. The Koran then reads “retribution for those who fight Allah and his messenger is to be killed, or crucified, or to have their hand and feet cut off on alternate sides, or to be banished from the land.” Surah 5:33

In the Koran, the word ‘pagans’ refers to Christians and Jews, or anyone who will not accept the Islamic Faith. Radical Islam believes you must join them or die. I say Radical Islam because there are many Islamic people who are a peaceful people. But there is a very real fact that there are millions of Radicals who will not rest until they blow up the White House, kill all pagans (Christians and Jews), and occupy Jerusalem.

President Bush declared War on the Islamic Terrorists responsible for the attack on 9/11. We are still today fighting these radical terrorist in the Middle East. Afghanistan and Iraq are two primary areas where we are fighting, and WE ARE WINNING this war! Understand we are not
fighting Iraqis in Iraq; rather we are fighting radical Islamic terrorists. That is very important to understand!

President Bush was strongly supported by both democrats and republicans in 2001 when he vowed to persistently engage these terrorists until total victory came. He stressed to America that it will be a long and persistent war... and indeed it has been just that. Now he is very unpopular in America because he has continued to pursue our enemies despite the costs and casualties. If 9/11 proved anything... It proved that our enemies will use everything in their power against us. It just so happens that the most powerful weapon they had in 2001 was a big Boeing plane. What will happen when their most powerful weapon is a nuclear weapon?

The Koran gives permission to Islam to accept a false peace to achieve their goals. This means Islam can accept peace with others with no intention of keeping it and will break peace as soon as it is convenient for them or as soon as they are in a favorable situation to advance their cause. This is very important to know because there is no option for peace with Radical Islam. Even if you get them to sign a peace treaty, they do not have any obligation to keep it, according to the Koran.

This is important to know because many in Washington specifically Barrack Obama, are claiming the best way to deal with these terrorists and radicals is to negotiate peace. It is extremely important to understand that you cannot negotiate peace with Radical Islam. You must simply fight the good fight.

The Bible tells in Ezek. 38 and 39 of a future battle that will happen during the tribulation period, which is yet to come. This war will happen 3.5 years after the anti-Christ establishes a false peace with Israel. After 3.5 years of this false peace, the anti-Christ, according to the Word of God, will break this treaty and attack Israel. The Bible says God will supernaturally deliver Israel from her enemies. Many will die and the surviving Jews will flee to Petra where they will be protected by God until Jesus Christ returns to destroy all the enemies of God. I digress but the point is... There will not be peace in the Middle East until Jesus Christ, the Prince of Peace, returns to the earth and sets up his Kingdom. Every Knee shall bow and every tongue will confess that Jesus Christ is Lord to the Glory of God the Father! Philippians 2: 9-11

One of the biggest mistakes America could make is leaving Iraq before the area is stabilized. If we leave too soon, Iran and Radical Islam will regain control of the area, put Israel at further risk of attack, and control much of the world’s supply of oil, which as you know would be critical to the United States. Leaving Iraq before victory is achieved would be a huge mistake.

Right now Iran is supporting these Radical Terrorists. Iran is currently working night and day to develop nuclear weapons which they fully intend to use against Israel and America. Right now Russia is aiding Iran in their nuclear development. The fact that Russia is aiding Iran in their military and nuclear development is an exact fulfillment of prophesy from the prophet Ezekiel. It is expected that Iran will have nuclear capabilities by 2009.

Ahmadinejad is the leader of Iran. Here are just a few of the many things he has said concerning Israel, America, and the fate of the World. (Zionist is Israel and the Jewish people)

1. “Israel must be wiped off the map ... The establishment of a Zionist regime was a move by the world oppressor against the Islamic world . . . The skirmishes in the occupied land are part of the war of destiny. The outcome of hundreds of years of war will be defined in Palestinian land.”
October 26, 2005
2. "The Zionist regime is an injustice and by its very nature a permanent threat. Whether you like it or not, the Zionist regime is heading toward annihilation. The Zionist regime is a rotten, dried tree that will be eliminated by one storm."

April 14, 2006
3. “A new Middle East will prevail without the existence of Israel.”

August 4, 2006
4. "We don't shy away from declaring that Islam is ready to rule the world."

5. "The wave of the Islamist revolution will soon reach the entire world."

6. "Our revolution's main mission is to pave the way for the reappearance of the Twelfth Imam, the Mahdi." (The Mahdi is the Islamic Messiah that is, according to the Koran, suppose to come and rule and spread Islam world-wide. Know that according to the Koran, Mahdi cannot come until a great war is started and Ahmadinejad has every intention of starting this war.)

7. "By the grace of Allah, we (will be) a nuclear power

8. "Iran does not give a damn about resolutions."

9. The Islamic republic of Iran has the capacity to quickly become a world superpower. If we believe in ourselves... no other power can be compared to us."

10. "Our enemies should know that they are unable to even slightly hurt our nation and they cannot create the tiniest obstacle on its glorious and progressive way."

My friends... America has a very real enemy and this November we are responsible for electing a new leader. Be very careful in your decision. Remember that Jesus said “He who is not with me is against me” Luke 11:23. The Bible says the Friend of the World is the enemy of God James 4:4. Will you stand for Israel.. the apple of Gods eye or turn your back to them? God bless George Bush for his persistency in this war and his persistency in helping the Jewish people!

Obama is vowing that if he is elected, he will pull our troops from Iraq. The fact is there is no greater issue than this War and there are no greater consequences to Americans than finishing this war and defeating our enemies. If we do not defeat our enemies... are enemies will defeat us. What is your choice this November?

On September 11, 2001 it was Boeing planes. In 2009 in could be nuclear bombs. Since 2001 Congress has done virtually nothing concerning protecting our borders. There are terrorist in our major cities and in our country right now! What will happen to our land and to our county if these terrorists get nuclear suitcase bombs? My friends if Radical Islam gets Nuclear Weapons... they will use them! THEY WILL USE THEM! My friends if we do not defeat our enemies... our enemies will defeat us. Look into the eyes of your children. Your choice on this war will affect them even so much more than it will affect us.

May the Lord Bless you and Keep you. May the Lord make His face to shine upon you and may the Lord be gracious unto you and give you his peace in Jesus name... Amen.
