

# What Is LIFE?

By Roger Pritchett

---

The phrase, “what is LIFE” is a question that every person that has ever lived since the beginning of the ages must answer sometime in their LIFEtime while the breath of LIFE from God is still in them. Scripture says from the Word of God the Holy Bible that God breathed the breath of LIFE into man and he became a living soul.

**Gen 2:7** And the LORD God formed man *of* the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

LIFE for everyone has started with God and will end with or without God. There is a heaven and a hell. The phrase, “smoking or non-smoking, does pertain to eternity. Life begins anew when we ask Jesus into our hearts and start a new life born again of the Spirit of God. When we ask Jesus to forgive us of our sins a new life born of the Spirit of God begins. Scripture says we are born again not of the flesh but of the spirit of God.

**Joh 3:6** That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.

**Joh 3:7** Marvel not that I said unto thee, Ye must be born again.

**Joh 3:8** The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.

God has instructed us in his Commandments to serve only him and have no other gods before him. God created us to serve him and live our lives in communion with God. God is a jealous God and demands we serve only him. Think about the idols that hold people bondage. These idols may not be stone or wooden statues like we usually think of as idols, but what about materialism, pleasures of the flesh, addictions, and anything that comes between you and God that is an idol. What about making ourselves the idol of putting ourselves in place of God and above God? When we serve our own selfish gains, could we make ourselves an idol and serve only ourselves?

The scripture talks about heathen godless nations that offered the lives of their children as scarifies to gods of stone and wood that were nonexistent. These idols of stone and wood were only a deception to the people and were a sacrifice to Satan himself. I can't help but think we are no different than these godless heathen nations. Think about it, abortion is usually about selfish motives of not interrupting the life of the mother. Many times we hear of the financial struggles these mothers have or other inconveniences this gift from God would bring. God wants us to protect those that cannot protect themselves and it is only a natural reflex to want to protect life especially of innocence.

The hope and pursuit of materialism at any cost is only a lie of deception. The aborting of a child to help the mother continue her way of life without the interruption of having a child is pursuing

self and idolizing self interests above Gods. To pursue with no regard to the consequences or judgment of God and knowing that adoption is an option leaves God out of the equation. The evil doers of this world may think they are not offering these aborted babies up to gods of stone and wood as mentioned in the bible, but they are greatly deceived by the father of all lies Satan himself and offering this precious blood to Satan himself. The enemy is laughing at the destroyed lives of the mother, doctor, families, and the unborn. The blood sacrifice to Satan is a sin that the God of Abraham, Issac, and Jacob will judge someday soon. This way of life will someday change because of the great sins of the world either before the Rapture or shortly after. We are to protect LIFE and the taking of the unborn is a great sin that this nation will pay for with the aborted children that are murdered daily. LIFE is a matter of choices and those choices will determine our future and where we will spend eternity. In this article I would like to share my thoughts on the miracle of LIFE and how our society has violated it.

I recently found out that I was going to be a grandfather. You can imagine the excitement and joy that this news gave me and my wife and my whole family. The news that my daughter was only a couple weeks brought us joy because we knew LIFE is in her and that a child is growing daily. Even though it was just a couple weeks we knew that we have been blessed by a miracle from God. Each LIFE is exactly that, "a miracle of God". Some time back I went to lunch with my wife and noticed a child bringing smiles to everyone around her. She was laughing and playing and as I watched her all of LIFE'S problems seem to disappear for a time. While I watched her I was thinking that someday all children including all babies still in their mother's womb will disappear. It is my belief that in the Rapture all of us true Christians and innocence will be taken away from sudden destruction at the start of the Tribulation. After the Rapture sudden destruction and world chaos and panic will be like never seen on planet earth.

All the joy that children bring and that ability to make LIFE'S struggles not seem so important will be gone in an instant. The other thought that went through my mind was the horrible tragedy of those that are left behind without these treasures of LIFE given by God. The thoughts also went through my mind of all the people that are pro-choice that think that taking a LIFE from the womb is not murder. I believe that these very people will be reminded of their thinking and choices they made with these innocent precious gifts from God. They will be reminded of these great sins before God by living in a world without the laughter of children. I had the thought that this will be God's way of showing America and the world of its sins against the unborn miracles that he gave us. The abortionists may have their way now, but judgment is coming soon. The judgment of God will be to both those who actually take children's lives and to those who believe that there is nothing wrong with killing babies. The blood will be on all their hands and UN repented sin. I believe the judgment of God will be continually reminding them of a world without children with both the unborn and born. It will be a feeling of hopelessness and guilt. They will know the error of their way and that they were wrong and God's judgment is on them. It is just my opinion that innocence under the age of accountably to Jesus including the children in the womb will be taken in the Rapture. After the rapture I believe that scripture points out that woman left behind in the tribulation will once again become pregnant and bear children, but the world that is left behind will be a place of great pain and sorrow during the tribulation years. The joy of life and motherhood will vanish in hopelessness of a world controlled by Satan.

**Mat 24:19 And woe unto them that are with child, and to them that give suck in those days!**

Mat 24:20 But pray ye that your flight be not in the winter, neither on the sabbath day:

Mat 24:21 For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.

Mat 24:22 And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

The spirit of God that lives in the millions of saints here on the earth will be gone. The only thing that is holding back evil from exploding on this earth now is God's spirit and his spirit that lives in the Christians.

I believe that all the aborted children of this world will be in heaven to greet us born again believers when we get to heaven. I believe that the true Christian that is born again will be those that have truly repented of their sins and asked Jesus for forgiveness. They will believe in the saving power of Jesus to cast their sins as far as the east is from the west, from one nail scarred hand to the other. The Christian has faith in Jesus and believes in his birth, death, and resurrection and his coming back to take us true Christians out before sudden destruction with the start of the Tribulation. I think they also believe in LIFE and that it is a miracle from God and it is not a matter of choice. I believe that a so called Christian who voted for those that are pro-choice must search their heart and ask for forgiveness for making such a mistaken choice. Repent for the judgment of God is coming soon. Get ready, get ready. Know that you know, that you know, that you truly know, that you are ready to meet Jesus. The only way to escape the Great Tribulation and the wrath of God is JESUS.

Joh 3:16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting LIFE.

If you do not know Jesus as your personal Lord and Savior, make the choice to accept him today. This day choose LIFE in Jesus Christ and choose to have a daily relationship with him. Forsake the things of this world that are idols before God. Repent and turn away from sin and by the spirit of God live LIFE to the fullest in Jesus Christ. Do not be deceived that there are many ways to God. There is only one way to God and that one way to God is through his only son Jesus Christ.

Joh 14:6 Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.

## *What is LIFE??*

By Roger Pritchett

Recently it was reported that over 50 million babies have been killed in our nation under the name of abortion since 1973 and that number could be far greater. There is a heartbeat present after days after conception. Is stopping a heartbeat murder? These are human beings that have a

living soul breathed to LIFE by God. There is not a doubt in my mind that these aborted children are sitting on Jesus lap in the blink of an eye when that child ceases to have LIFE that God gave them. I recently viewed thousands of people protesting this horrible tragedy of abortion the murdering of babies that happens every day. My heart and prayers go out to those that march and go to rally's against these horrific acts of murder to stop a beating heart called abortion. God help us and give us strength to fight against this atrocity. God help our politicians who respect LIFE in the womb to change our laws to protect the unborn. It was also recently brought to attention by the media that organizations that have abortion clinics are so reprobate in mind that some of their staff has helped underage prostitutes get abortions. It's hard to comprehend that similar activities probably go on day after day at these organizations. Why would they make the choice not to alert the authorities of these illegal acts? Don't they see that all the millions they make from abortions is blood money and it is cursed by God? All the millions of dollars the government gives to these organizations is blood money and will bring judgment on America. There will be judgment from God on America for this holocaust. It is immoral, illegal, and most of all an abomination to God. The people that work at these organizations have consciences that are seared to the point there is no feeling and they are numb by spewing lies about what LIFE is. Those involved with promoting and supporting abortion will feel shameful guilt for the rest of their LIFE. God can forgive them, but the memory of supporting and killing an innocent will always be there.

The cycle of this immorality knows no shame and there is no fear of the Lord or his judgment. The evil doers may kill the body, but they cannot kill the soul.

**Mat 10:28** And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell.

Scripture from the word of God the Bible talks about children passing through the fire as a sacrifice to pagan gods. Behind all these false gods is satan. He has been the deceiver from the very beginning of time and that was around 6 thousand years ago. When our nation murders a beating heart of their own children in the name of abortion with the lie that it is not a LIFE it is a sacrifice to satan himself.

**Eze 16:20** Moreover thou hast taken thy sons and thy daughters, whom thou hast borne unto me, and these hast thou sacrificed unto them to be devoured. *Is this* of thy whoredoms a small matter,

**Eze 16:21** That thou hast slain my children, and delivered them to cause them to pass through *the fire* for them?

The LIFE giving blood from the mother to the child and the development of that child is a miracle that science will never completely understand. The human body is so complicated, delicate, and symmetrical. The delicate senses of sight and sound are amazement and wonder from our creator God. Only a fool would deny we were created by a superior being and believe the wonders of the body evolved into existence. We are fearfully and wonderfully made from the one and only God, the God of Abraham, Issac, and Jacob.

**Psa 139:14** I will praise thee; for I am fearfully *and* wonderfully made: marvellous *are* thy works; and *that* my soul knoweth right well.

It is God's choice that we were created. It is his divine plan that we are conceived and brought into this world.

**Gen 2:7** And the LORD God formed man *of* the dust of the ground, and breathed into his nostrils the breath of LIFE; and man became a living soul.

The world wants to make it a woman's choice to choose or not choose LIFE. It is not their choice to make. The pro choice argument is against God's plans. The enemy wants women to think it's their choice to have a baby and they have control of their body. To the contrary we are God's creation and we are his. The heavens, earth, and mankind is owned by God the creator of all.

**Psa 50:10** For every beast of the forest *is* mine, *and* the cattle upon a thousand hills.

**Psa 50:11** I know all the fowls of the mountains: and the wild beasts of the field *are* mine.

**Psa 50:12** If I were hungry, I would not tell thee: for the world *is* mine, and the fulness thereof.

Recently the miracle of LIFE given by God was once again put in my beautiful daughter. After a few weeks a routine doctor's visit showed no sign of a heartbeat. Our Lord and Savior in his wisdom of knowledge and infinite power knew why that baby didn't make it to this world just a few weeks after conception. There is not a doubt in my mind that this child was sitting on Jesus lap in the blink of an eye when that child took its last heart beat. This precious little one immediately went to be with Jesus. It is my prayer that all the women including my wife who have known this pain of miscarriage know that those precious babies are with Jesus and they are waiting for us to join them. Our complete faith and trust is in Jesus and him alone. We know that Jesus loves the little children and scripture in the Holy Bible is full of references to this.

**Luk 18:15** And they brought unto him also infants, that he would touch them: but when *his* disciples saw *it*, they rebuked them.

**Luk 18:16** But Jesus called them *unto him*, and said, **Suffer little children to come unto me, and forbid them not: for of such is the kingdom of God.**

**Luk 18:17** **Verily I say unto you, Whosoever shall not receive the kingdom of God as a little child shall in no wise enter therein.**

The absolute horror of the loss of this child in a miscarriage leaves the mother and family devastated. Tears fill my eyes thinking about those horrible days. It is with the help and grace of God that leads us through this difficult time. The pain and anguish seen on the faces of my family was excruciating painful. I know words can't describe the pain my daughter felt and the loss she will always remember. The loss of LIFE giving blood that nourished this child was horrific. Shortly after this time my mind went to women that have an abortion to stop a beating

heart. There is no sadness at the loss of LIFE like there is in a miscarriage and instead there is joy that they got rid of the unwanted baby. This makes no sense at all. A LIFE is a LIFE. A beating heart is a beating heart. The very heart of God has to melt when women choose to stop a beating heart to murder a child. The void and emptiness they feel after murdering a child will lead them searching a LIFETIME for happiness that they can never obtain. All the wealth of this world and every earthly pleasure cannot fill this void in their LIFE. Jesus is the only one that can fill the void in the heart of all mankind and for these women. Only the forgiveness of God can ease the guilt and shame.

We don't question God because he knows everything that was and everything to come. Our minds sometimes can't comprehend God's eternal knowledge of past, present, and future. The omnipresence of God is everywhere at once including dimensions of time. God is the only one with this infinite power and the enemy does not have this power. God knows what you are thinking right now, the enemy doesn't. God knows the very thoughts of your mind and the intent of your heart this instant. The enemy can only go on your past and present choices and actions. He then uses that against you. There is no hiding from God what we think and have hidden in our hearts. We serve an all knowing and all powerful mighty God. The omnipotence of divine power God has goes beyond our understanding.

I think the Rapture will take the unborn still in their mother's womb to heaven to be with their creator God. The innocence of children that are under the age of accountability will also be taken away to be with their creator God. The horror of being left behind in the Rapture vacant of all expectant mothers' children still in the womb and all children that have not reached the age of accountability will leave the entire world in panic. This is only one of the many sorrows at the start of the tribulation. I believe that all the aborted children of this world will be in heaven to greet us born again believers when we get to heaven. I believe that the true Christian that is born again will be those that have truly repented of their sins and asked Jesus for forgiveness. They will believe in the saving power of Jesus to cast their sins as far as the east is from the west, from one nail scarred hand to the other. The Christian has faith in Jesus and believes in his birth, death, and resurrection and his coming back to take us true Christians out before sudden destruction with the start of the Tribulation. I think they also believe in LIFE and that it is a miracle from God and it is not a matter of choice. I believe that a so called Christian who voted for those that are pro-choice must search their heart and ask for forgiveness for making such a mistaken choice. Repent for the judgment of God is coming soon. Get ready, get ready. Know that you know, that you know, that you truly know, that you are ready to meet Jesus. The only way to escape the Great Tribulation and the wrath of God is JESUS.

**Joh 3:16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting LIFE.**

God has given every human that he ever created free choice. We have the choice to choose LIFE with him or death with the enemy. If you do not know Jesus as your personal Lord and Savior, make the choice to accept him today. This day choose LIFE in Jesus Christ and choose to have a daily relationship with him. Forsake the things of this world that are idols before God. Repent and turn away from sin and by the spirit of God live LIFE to the fullest in Jesus Christ. Do not be deceived that there are many ways to God. There is only one way to God and that one way to God is through his only son Jesus Christ.
